MA Broadcast & Digital Journalism Student | Sports Journalism, Live Reporting & Digital Media

MA Broadcast & Digital Journalism student with experience at Daily Mail Sport and The Times, alongside serving as Section Editor at the University of East Anglia's student publication, Concrete. Also working as a freelance writer for Spurs Web, writing and pitching articles for a digital audience. Produced published articles, contributed to live blogs and worked to deadline in newsroom environments. Skilled in reporting, interviewing and SEO-driven digital content across print, digital and broadcast, with a focus on football coverage.

PROFESSIONAL EXPERIENCE

DAILY MAIL SPORT | WORK EXPERIENCE

December 2025 – January 2026

Contributed to live blogs and digital sports coverage, producing published articles and working to deadline in a high-output newsroom, collaborating closely with the Digital Sports Editor and Sports News Editor, while also gaining experience of print production.

Key achievements:

- Published three bylined digital articles and contributed to live blogs reaching a large online readership.
- Attended a Premier League press conference at Tottenham Hotspur's training ground alongside a senior football writer, gathering quotes and assisting with live coverage.
- Produced accurate articles to tight deadlines, demonstrating speed, editorial judgement and attention to detail.

THE TIMES (SPORTS DESK) | WORK EXPERIENCE

April 2026

Contributed research, fact-checking and editorial preparation for sports features and match coverage, supporting the production of print and digital content, working closely with reporters and editors.

Key achievements:

- Achieved a byline in the print edition, contributing to a feature on father-son and mother-daughter athlete partnerships.
- Shadowed reporters and editors, including the Head of Sport and Sports Editor, contributing to editorial preparation and gaining insight into podcast production and workflows.
- Conducted research and fact-checking used in published print and online articles.

SPURS WEB | Freelance Writer

February 2026 – Present

Produce written football content focused on Tottenham Hotspur for a digital audience, including opinion pieces.

Key achievements:

- Pitching, researching and writing original articles, delivering SEO-optimised content to deadline for a digital audience.
- Producing timely content around matches and club developments, tailored for online readership and audience engagement.

CONCRETE (UNIVERSITY OF EAST ANGLIA) | SECTION EDITOR

January 2025- Present

Lead content production for a section of the University of East Anglia's student newspaper, which focuses on stories based on the University and the wider East Anglia region.

Key achievements:

- Editing and publishing articles on sport, culture and politics, managing contributors and overseeing editorial output to deadline.
- Maintaining quality, accuracy and consistency across published content, enforcing style and editorial standards.

EDUCATION AND QUALIFICATIONS

UNIVERSITY OF EAST ANGLIA, NORWICH | MA Broadcast and Digital Journalism

September 2025 – August 2026

- Completed radio news days, including scripting, presenting and working to deadline, using Adobe Audition and Burli Newsroom for audio production.
- Produced digital content via WordPress, including sub-editing, image sourcing and SEO optimisation, alongside conducting interviews for audio, TV and written output.
- Trained in TV production, filming and editing packages using Adobe Premiere Pro.

Projects (Full Portfolio Available at anguscoulson.com)

- Digital portfolio comprising three articles with video interviews, covering a range of topics and demonstrating multi-platform storytelling.
- Produced radio packages, including a radio podcast, applying audio editing and production techniques using industry software.

UNIVERSITY OF EAST ANGLIA, NORWICH | BA American History (2:1)

September 2022 – July 2025

- Developed strong research, analytical and long-form writing skills through essays on a wide range of topics spanning both American and wider international history.
- Developed understanding of current affairs, political systems and historical context, with particular focus on American politics and foreign policy.
